

# Crew 905 Downhill Ski Night

## At Hidden Valley Ski Resort

Friday, Feb. 7 to Saturday, Feb. 8, 2014  
6:00 p.m. Friday to 3:00 a.m. Saturday

Venture Crew 905 is hosting its only annual above water event. Instead of strapping on masks and fins, we're strapping on skis to enjoy the seasons more solid variety of water. All registered Explorers, Venturers, Advisors, and guests over 14 years of age are invited to join us at Hidden Valley Ski Resort in Eureka, MO. It's great fun and an excellent chance to learn how to ski. **Advanced registration is required for the lowest rates and those reservations must be received by Friday January 31, 2014.**

In addition, since BSA policy now requires participants to wear helmets, we will be having a helmet decorating contest. Details and prizes will be announced at the January VOA meeting.
